God's Word brings light into darkness again The prophets prepare us to behold the Lamb God's finest glory is being poured out now Believe in God's love and be born again As Christ increases so too our joy from heaven Worship Christ and never thirst for life again All who honour and believe the Word will live Marvel at the Son with authority to heal the dead Search the Scriptures and finally see Christ Feed on the bread from heaven, the Word of eternal life Will you seek to know or seek to kill the Christ? Don't be divided or deceived but drink & believe Walk in the light of life, set free, as the children of the great 'I Am' The blind who believe will finally see Christ Good shepherd lays down his life for his sheep The Father and the Son work and witness as 1 Everyone dies but everyone who believes will live Anoint the one man to die for all people Who sees the glory of the Son of Man lifted up? Be purified and prepared to follow the master By love the world will know we're Christ's disciples Jesus is the only way to the father The Holy Spirit will help us remember and rejoice Chosen to abide in Christ and bear much fruit If they hate you, it's because they hate God The Spirit carries our grief & comforts with Christ Ask for a full heart from the 1 who has overcome Jesus prays that he is glorified, we are sanctified, and all together unified Jesus of Nazareth betrayed by his very own The King of the Jews is not of this world The king is crucified & all is fulfilled Go and tell them that he is risen Blessed are those who have not seen & believed Love the Lord and feed his sheep
